WILL RESUME READING ROOM ENTERTAINMENTS

Railroad men and the general public will welcome the announcement that the Santa Fe Reading Room entertainments, which have been so successfully conducted at the Y. M. C. A. the past three years, are to be resumed. General Secretary Fitzsimmons received word today from S. E. Busser, superintendent of Reading Rooms, that the Topeka Concert company would be here to open the season with a concert next Wednesday night, December 15th.

While these entertainments are given primarily for Santa Fe employees, if any tickets remain after all the railroad men's families have been supplied, Y. M. C. A. members and the general public will be welcome to them.

In order to accommodate the railroad men, reserved seats will be issued to them only, whether they are members of the Y. M. C. A. or not, on next Monday and Tuesday, between the hours of 9 a. m. and 10 p. m. On the day of the concert, Y. M. C. A. members and the general public, as well as railroad men, will be given tickets. Not more than four tickets will be issued to any one family unless the committee in charge is sure that there are more than four adults in that family. Children under fifteen are not wanted at the entertainments, but the committee does not want the children to interfere with their parents enjoying them, therefore children under fifteen will only be admitted when accompanied by their parents. The committee also desires that, if possible, adults call for the reserved seat tickets instead of sending children for them. These restrictions are made in the interests of the majority of the railroad people.

MORE PRAISE FOR NEW MEXICO EXHIBIT

That New Mexico's exhibit at the Land & Irrigation exposition held in Chicago, November 20 to December 4, attracted widespread attention among the thousands of visitors who daily visited the coliseum, where the big show was held, is evidenced by the following letter from C. L. Seagraves, general colonization agent of the Santa Fe Railway system:

Chicago, Dec. 8, 1909.
Mr. M. M. Paggett,
East Las Vegas, N. M.
Dear Sir:—

The Land and Irrigation Exposition, held in Chicago from November 20th to December 4th, closed on last Saturday night and proved the biggest attraction of its kind ever undertaken in this or any other city. The interest aroused by the magnificent exhibits among the land hungry people, will mean much to the entire west.

The years of advertising and general publicity hardly accomplished as much as was crowded into the two weeks of the exposition. Thousands of people attended, not only from Chicago, but many towns from the central states. The people are intensely interested and the good that will result to all of New Mexico can hardly be measured in dollars and cents.

New Mexico is to be congratulated for the good showing made here. The display of products was well arranged and attracted a constant stream of people to your section. Messrs. Henning, Stroup and other New Mexico representatives, were indefatigable workers and managed to keep your country in the limelight all the time.

You have every reason to feel well satisfied for time and money spent to be represented at this exposition, as it will come back to New Mexico many times over.

Yours truly,
C. L. SEAGRAVES,
Gen. Colonization Agent.
